

*Northern Society of Costume & Textiles*  
 The Northern Society of Costume and Textiles is a Registered Charity

The Society, Registered Charity No. 513302, was founded in 1977. Although interested in all aspects of costume and textiles both ancient and modern, it does have a bias towards the historical and the wish to encourage the study and preservation of items from all ages and research into the history of their origins, make-up and use. The Society covers the whole of the north of England north from Nottingham and Derby to the Scottish border. Within this area, meetings are held in different venues four or five times a year, usually on Saturdays, and range from general visits to places of interest to detailed seminars on particular topics.

Members are drawn from all walks of life, some with considerable knowledge of costume and textiles, but many who are just enthusiasts keen to learn about the subject.

The current annual subscription rates are:

Ordinary membership	£13.00
Student Membership (with proof of Student Status)	£ 6.00
Institutional membership	£20.00

Make cheques payable to the *Northern Society of Costume and Textiles*

The subscription year runs from 1st January each year, but members joining after 1st June are only required to pay half the subscription for that year.

Small charges are made to those attending each meeting to cover the costs of room hire, speaker's fees, etc.
